

## 2021 Network Member Participation Criteria

Criteria in Section A and B below MUST be met annually in order to be eligible to receive any shared savings distribution for performance year 2021. Up to three additional "good citizenship" credits can be earned to increase shared savings distribution but ONLY if mandatory criteria have been met. Participation criteria apply to each individual member and activities that enhance CHC's overall operations including member engagement and collaboration.

### MANDATORY PARTICIPATION CRITERIA

#### A. EDUCATION (Required)

- A. \*Annual Education: Complete either of the following:  
 Complete **two (2)** CHC Clinical Spotlight virtual educational events  
**Or**  
 Complete **one (1)** CHC Clinical Spotlight virtual event and two (2) videos in the CHC Educational Library

#### B. CLINICAL INTEGRATION (Required)

- B1. Submit patient clinical data in the format/method requested by CHC to fulfill payer and/or network requirements (applicability of this criteria will be provided by specialty).
- B2. Participate in specialty-specific clinical guidelines and quality measures. Update discrete data in Palos Link or Epic, if requested by CHC.
- B3. Maintain practice proficiency in the use of CHCs web based clinical integration portal, Palos Link. (This is not applicable for practices using Epic as their office EMR).

#### C. "GOOD CITIZENSHIP" (Extra Credit) *(up to three below for additional credit)*

- C1. Demonstrate engagement with CHC measurable by at least 75% of CHC emails opened in 2021.
- C2. Attend a third CHC sponsored educational event in 2021 (if available) or record an educational video for the CHC library.
- C3. Participate in CHC Workgroups (or specialty-specific committees) with a minimum of 2 hours of time.
- C4. Participate in at least one meeting with CHC leadership to review practice-specific data and/or action items (i.e. scorecard, risk assessment, readmissions, other population health data or initiatives).
- C5. Demonstrate provisions of timely patient access (non-traditional hours) to primary or specialty care. Non-traditional office hours defined as at least a) one weekend day or b) one weekday with clinic hours after 5pm.
- C6. Demonstrate provisions of timely patient access to primary or specialty care as measured by acute visit appointment availability within 72 hours and routine visit appointment within 2 weeks.

**For questions about the criteria, applicability to your practice or specialty,  
 please call 708-923-5242**

\*A2: Educational Criteria modified to allow for completion of a virtual education due to COVID-19 precautions and ongoing CME integration efforts.
